E. G. Little

The above party made their departure on Thursday April 9th, being conveyed there for all parts of the company & by various means of transport.

April 10th was a particularly fine day - with sun & much sun & a breeze of a day - the field. The whole party was roughly divided into three parts - (A) the long distance walk (B) the short distance walk & did not walk (C) the stay - it - has also did most of the work.

Saturday, April 11th

A - Had: Lytle (about)

B - Book chains.

C - Work on common & worked with of book chains, lizards, etc.

Sunday, April 12th

Part 6. Church at 9.

A - Had: Fall, etc

B - Run: Col. li. & Butterfield,

Monday - April 11th

- A = Spent 1/2 (at least) BY CAR to Waddale Head - ~~Eminent Poppo~~
- B = Walked down, Old Man.
- C = Discovered land during snow; roofed corner.

Tuesday - April 12th - Excursion on snow.

"Pessunt quia posse videtur"

M.B. It is to be recorded that one member of the party (A) walked north ^{for} about five nights (- semi-stationed -) beneath the regulation number of blankets.

His reply on being questioned was - "I did not know that extra blankets were to be had."
