9 INSTITUTE PLAYERS GIVE NEW HEYS A FOOTBALL LESSON.

Institute B 11 New Heys 5

On a freezing cold morning only eight of the original team turned up but well led by Hassell the team overcame this difficulty and went on to a really fine win. Bennett moved over from A team sub and in the first half New Heys lent their sub. When they found themselves 2-4 down at half time they withdrew this offer but it did them no good, Institute scored 7 more goals. Madgin scored his hat trick in the first half but this was an all round team performance and every player deserves a mention. Roberts brought off some fine saves on a day when the ball was like an iceberg. Ventre and Bostock were solid defenders in the dying moments of the game Ventre cleared a certain goal off the line. Bostock was commanding throughout. Hassell not only did fine work in defence but scored two great goals. One of them was a superb effort after a defence splitting pass from Pimblett. McGee again put in a fine performance and from one of his accurate crosses Warburton scored a 'classic goal. McGee also scored himself. In the second half of the game Tan came onto the field as the 1st XI game did not take place. He centred accurately and Pimblett headed a great goal. Just before this Pimblett had missed a 'sitter' after Warburton's shot had crashed against the bar. Nevertheless Pimblett was a key player in the victory and without Warburton's goal skill and Madgins second hat trick of the season we would have been pushed against a New Heys team that never gave up the struggle. Bennett had an excellent all round game, laying on many of the goals. The game was expertly controlled by Mr Day.

SLUMP CONTINUES WITH POOR 2ND HALF PERFORMANCE.

Institute 2 New Heys 5 Langford Diabie.

After a reasonable first half performance Institute 'threw in the towel' and gave away 4 second half goals to slump to their 5th consecutive defeat. The ball was difficult to control on a hard pitch but this was no excuse for some poor passing. Nevertheless Institute had much more of the play and took a deserved lead when Langford diverted the ball over the line from close range. Minutes later Langford broke clear and ran well with the ball. His fierce shot was only a yard wide of the post. Our striker held his head in his hands and from now on we slid down the slope to defeat. Naughton made a magnificent save after 28 min.

URGH! SINCE MR. COOKE ACQUIRED THOSE NEW FOOTBALLS WE DON'T KNOW IF WE ARE COMING OR GOING.

-utes but 5 minutes before the interval the defence left Naughton 'all alone' and New Heys equalised. After 5 minutes of 2nd half pressure Institute 'fell apart'. New Heys scored again but we were given a golden chance in the 15th minute when terrible marking gave Diabie the opportunity of scoring a good equaliser. We did not take this opportunity and the game slipped away when further goals came in the 25th and 29th minute. O'shaughnessy deflected a shot past Naughton 2 minutes from time and the ref. blew up exactly on the minute and retreated to the changing rooms. Hooper played well in the first half but fell into the trap of hesitant play in the second. Regan could not get his passes moving today and Halewood was left too many times alone at the back. Freckleton was up against a good winger and several times was under severe pressure. Langford plugged away up front but Hamilton had a very quiet game and could not get into the play. Diabie played some nice touches but apart from his goal achieved little. Our next victory is looking a long time coming.

This was a hard fought game and undoubtedly Rooke takes the honours for some superb saves at the expense of Flanagan. Lintott played like a 'cart horse' in the first half and like a genius in the second. Jamieson spent far too much time involved in indecisive play. The true version of that will be obtained from Jones of 2D. He had the job of writing down Mr Cooke's comments. Lewis was a dangerous second half striker. This series is really 'hotting up' and if we were in Australia Kerry Packer would stand no chance. See you in number 61 when Mr Cooke
→ Jones of 2D will bring you all the news of the 'fourth test'

Editors Jottings.

Thanks to Holmes of 3A for his contribution of newspaper and also to Carter of 2D. Also thanks to all the boys who have brought paper in for Miss Drozd.

In the quiz league there were a lot of entries that were just too late to gain points. Han was one and others were Peter and Karl Eyo Perischine. Remember you must be quick to hand in your answers.

The editor has been banging away at this typewriter now for about three hours and my head is full of statistics. So forgive me if I sign off in a minute. Before that I will announce this Saturdays 4th year teams

A team Vs, Prescott at Mersey Road.

B team Vs, Prescott at Mersey Road.

Selection problems here for I wish to field two equally strong teams. I do not want to disturb the balance too much. Therefore I think I shall stick with the teams as they have been over the last few weeks. The next game against Warwick Bolam (probably only A team) will be a team selected on merit and current form.

GAME 8. ODD MAN OUT.

Four have something in common, the other is the 'odd man out'. You have to decide which.

- 1) BARRACAN, BAFT, BATISTE, BODEGA, BOMBAZINE.
- 2) KRAIT, KOALA, KOB, KYLOE, KUDU.
- 3) CORBETT, DEMPSEY, MAXIM, SHARKEY, TUNNEY.
- 4) ROSE, DAFFODIL, SHAMROCK, THISTLE, LEEK.

LATE GOAL EARNS INSTITUTE A POINT.

New Heys 2 v Institute 2

The match at New Heys was played under Arctic conditions. The temperature was below freezing and the pitch was very hard and rutted. The first half was dominated by Institute who forced corner after corner as New Heys tried desperately to keep them out. Although they had many chances the Institute forwards could not get the ball in the back of the net - they were trying to "walk" the ball in instead of shooting when they had the chance. Ten minutes before half-time New Heys broke out of defence and scored the opening goal right against the run of play. H.T. 0-1.

Eyo equalised just after half-time with a well placed shot. Institute continued to monopolise the play with Kevin Jones having a fine match on his debut in the middle of the field. New Heys took the lead again with another breakaway goal - credit to them for taking their chances. Eyo scored the Institute equaliser seconds from time after sustained Institute pressure.

This was not one of Institute's better performances - obviously the pitch and weather did not help, but a few regulars had an off day.

GAME 'DRAGS ON' AFTER ACTIVE 60 SECONDS.

JONES SCORES FROM LONG JAMIESON THROW.

Institute 1 New Heys 1

On a freezing cold day Institute had 80% of the play but failed to create one clear chance after taking an early lead. The team manager reckons if they played until Christmas they would not score on this form. The editor knows exactly how he feels. The experiment of playing Dudley at centre forward was not a success. Rooke had only half a dozen touches of the ball and these were mainly from backpasses. The editor's prodigy, Dove, came on in the second half but failed to capture his Wednesday afternoon 'magic'. Both the goals came in the first minute, New Heys equalising almost immediately after Jones's goal.

EARLEY HITS HAT TRICK IN FINE WIN

New Heys 3rd year B 2 Institute 4

This was another fine performance from the ever improving 3rd year B team managed by Mr Robinson. Once again A team demands left them with players short but this did not prevent them from achieving a fine win. Earley scored three and the other goal came from Murray.

The editor would like to wish Woods a very speedy and full recovery from his injuries suffered at New Heys on Saturday. I look forward to the day when he can take his place alongside his team mates again.

If this continues the wooden spoon that Mr Mockler won last year will have to be cut up into three pieces for Mr Mockler, Mr Cooke A & B. No that is not fair the 4th year B are doing very well. They have won their two games 12-2 and 11-5, the 1-7 defeat being against St Augustine's A team. Also they have games in hand. So where does that leave the second year and fourth year A teams. When you consider that the 2nd year also have games in hand it makes my position look pretty grim. I think I will abolish the school league.

Anyway Mr Owen's claims for two points by default have been cast on to stoney ground so to speak.
